

A quick guide to e-Platform by Wheelers... one of our e-book & audiobook apps!

What is e-Platform?

e-Platform is a free app where you can borrow **e-books** and **audiobooks** using your library card. The app is downloadable to suitable devices such as phones, tablets, iPads, iPhones etc. It can be downloaded to some computers and laptops. You can also use e-Platform in your web browser by going to tetakere.wheelers.co

Who can use e-Platform?

Anyone with a Libraries Horowhenua membership or e-membership, and a suitable device. (Phones, tablets, iPhones, iPads, laptop, computer etc.)

What is needed?

- A library card with a password set to it.
- No fines exceeding the borrowing cap on the card.
- A suitable device and connection to Wi-Fi / internet for downloading the app and logging in. You do not need Wi-Fi all the time, books will download and you can read them offline.

How do you use e-Platform?

- Download e-Platform from the App Store (Apple) or the Play Store (Android) or Microsoft, depending on your device.
- Open e-Platform, and select the Library. We are called **Libraries Horowhenua**.
 - Use your card number and password to log in.
 - Start browsing!

Enjoy!

- You can issue e-books and audiobooks using **e-Platform**, or place holds if they are out.
- You can adjust font size, font type and background colours for ease of reading.
 - There's no worries about overdues; items return themselves!

- If you have questions, please feel free to email me reneef@horowhenua.govt.nz

Things to note:

- We also have our Libby / OverDrive catalogue. You can use both. They have different collections, so if you can't find a book on one platform, try the other! It works the same as **e-Platform** – download it, log in with the card number and password, and enjoy!
- **e-Platform** is an app, you can't download it to e-Readers, these work a bit differently. For help with e-Readers, check out our help sheet or send me an email on reneef@horowhenua.govt.nz
- If the you can't download apps, you can still access our Wheelers digital catalogue through your web browser here: tetakere.wheelers.co
